the excepted service shall be made in accordance with any regulations or practices that the head of the agency concerned finds necessary.

(b) Except as authorized under paragraph (c) of this section, a person appointed to an excepted position does not acquire a competitive status by reason of the appointment. When an employee serving under a non-temporary appointment in the competitive service is selected for an excepted appointment, the agency must—

(1) Inform the employee that, because the position is in the excepted service, it may not be filled by a competitive appointment, and that acceptance of the proposed appointment will take him/her out of the competitive service while he/she occupies the position; and

(2) Obtain from the employee a written statement that he/she understands he/she is leaving the competitive service voluntarily to accept an appointment in the excepted service.

(c) Upon a finding by OPM that in a particular situation the action will be in the interest of good administration, OPM may authorize an agency to make appointments to specified positions in the excepted service in the same manner as to positions in the competitive service. Persons given career-conditional or career appointments pursuant to a specific authorization by OPM under this paragraph may acquire a competitive status as provided in part 315 of this chapter.

§ 302.103 Definitions.

Person entitled to priority consideration means a person who was furloughed or separated without misconduct, from a position without time limit, because of a compensable injury and whose recovery takes longer than 1 year from the date compensation began. To be eligible under this part the person must apply for reappointment to his or her former agency within 30 days of the date of cessation of compensation.

§ 302.104 Applicability of regulations to applicants and employees.

Each agency shall follow the provisions of this part relating to examination, rating, and selection for appoint-

ment of an applicant when a qualified preference eligible or person entitled to priority consideration applies for appointment to a position covered by this part. Each agency, in its discretion, may follow these provisions when no preference eligible or person entitled to priority consideration applies.

§ 302.105 Special agency plans.

An agency having a position subject to this part may establish a system which will result in granting to eligible persons the preference or priority consideration referred to in sections 1302(c) or 8151 of title 5, United States Code, but which does not conform to all the procedural requirements set forth in this part. The agency establishing such a system must ensure that all eligible applicants entitled to veteran preference or priority consideration receive at least as much advantage in referral as they would receive under the procedures set forth in this part.

§ 302.106 Vacancy announcements.

When an agency announces a vacancy in the excepted service, the announcement must contain a reasonable accommodation statement that complies with requirements in § 330.707 of subpart G of this chapter.
